## FOREWORD

Wellington and District Shorthorn Breeder's Club are pleased to present this Consignment Sale of Shorthorn breeding stock. All cattle have been inspected and have been found to be sound in every way.

All cattle will be stabled the morning of the sale so the prospective buyers may have ample time to inspect the consignment before sale time.

We invite you to inspect this fine consignment of breeding stock. They represent some of the top herds and sires of the province. You can rest assured that the cattle you may buy will be most profitable to you whether you own a purebred or commercial beef herd.

If you are considering doing any cross breeding, remember some Shorthorn blood is a must in that program, to be successful.

Did you know approximately 30 breeds of pure bred cattle in the world carry some Shorthorn blood in their ancestry?

We hope you will be with us on sale day, however, mail bids may be sent to W.L. Elliott, Secretary, Ontario Shorthorn Club, R.R. 4, Guelph, Ont. Phone 519-822-1799, or Smith R. Griffin, Sale Manager, Acton, Ont., phone 519-833-2369.

### FROM THE SALES MANAGER

Having managed this sale since its inception in 1954, I look back with pride to the service this sale has provided to both the buyers and sellers of Shorthorn cattle.
